About the TESOL Certificate Program

In our TESOL Certificate Program, trainees will be able to explore teaching, learning and language through task-based, participatory and interactive experiences, leading to an exciting and rewarding career teaching English abroad.

Trainees learn how to teach by doing, reflecting, and then observing highly experienced professionals. The program is composed of 100 instructional hours, and 6 hours of observed teaching.

About the TESOL Diploma Program

Our TESOL Diploma Program conforms to **TESL Canada** standards and Language Canada's Quality Assurance guidelines. It has been perfected through more than 2,000 hours of research and development and is taught by industry experts. Trainees will be able to explore teaching, learning and language through task-based, participatory and interactive practice.

Campus

ILAC International College's boutique campuses are located in the heart of Toronto and Vancouver. The bright and modern state-of-the-art campuses provide the perfect environment for learning and socializing.

The ILAC TESOL program has been the most helpful teacher education program I have ever taken (and I have both my OCT and MCATD!). I have used countless techniques in my teaching practice. The TESOL instructors are really the heart of the program and provide amazing ideas, direction and feedback gleaned from years of teaching ESL to adults.

I can't recommend this course enough!

Michelle Seetner, OCT, MCATD
