BERLITZ HISTORY

Berlitz was founded in 1878 by Maximillian Berlitz. Already running a successful centre, Maximillian Berlitz needed a new French instructor to teach and hired a French assistant by the name of Nicholas Joly. Joly had been the most promising candidate, but when the Frenchman arrived in Providence, Berlitz was horrified to find that Joly spoke no English. As Mr Berlitz was sick at the time, he told Joly to lead classes to the best of the Frenchman's ability. Berlitz asked his assistant to point at objects, repeating the French word for them, and act out verbs.

Upon his return, he was surprised to see the great progress that the students had made and realised the importance of this discovery i.e. learning a language through the target language rather than the traditional techniques which had characterised learning until this point.

Today, Berlitz continues this spirit of innovation, with a range of learning techniques and programme formats; incorporating the benefits of new media, such as Internet based e-learning where appropriate, and introducing new programme formats such as our Total Immersion to cater for new client needs.

At Berlitz Manchester & Dublin, we are committed to delivering the best learning approaches and strategies. Our goal is to ensure that you, our students, make the maximum progress in the time that you study with us and that we support you in realising your career and life-goals.

WHY MANCHESTER?

MANCHESTER CITY LOCATION

Manchester, the 'uncrowned' capital of the North, is a leading UK study destination, offering the advantages of a vibrant, up-and-coming city whilst at the same time being close to some of the most beautiful scenery in England. Manchester combines the sophistication and energy of a thriving metropolis with easy access to the stunning scenery of the Lake District and Wales. With two national parks on its doorsteps - the Peak District and the Yorkshire Dales - it is the ideal place to learn English while experiencing both city and rural life.

Not only was Manchester voted the 'Best UK City to Live In' by the Global Liveability Survey in 2013, it also features in the 'World's Top 10 Friendliest Cities' as chosen by users of international travel guide, Rough Guides, and is the only UK city to be listed in the 'Top 10 Best Cities for 2016' by Lonely Planet.

With 3 major universities in the city, you will find a large international student population in Manchester, and a city whose bars and restaurants reflect its cultural diversity: sample the food of China Town, or try a spot of salsa dancing in a Latin-style café! Whether you are interested in visiting Manchester United football ground, attending a classical concert performed by the Hallé Orchestra, having a history lesson at one of Manchester's museums, visiting the world's oldest public library, or simply want to enjoy superb shopping, you will not be disappointed.

DUBLIN CITY LOCATION

Dublin is a city steeped in history and tradition. Let yourself be charmed by Dublin and its literary tradition. As you would expect from a city that is more than 1000 years old, there is ancient history to discover all over Dublin. From streets and buildings to cultural objects, you will find remnants of our Victorian, Georgian, medieval and even Viking eras!

Experience the festive St Patrick's Day in March or the Writer's Festival in May, celebrating contemporary writers as well as the literary heritage of world famous writers such as Samuel Beckett, WB Yeats and James Joyce.

Revel in the vibrant live music scene, from the arena to clubs and the streets of Dublin. Whatever type of music you're into, you're never far from a gig in Dublin. Live traditional Irish music sessions take place nightly in dozens of pubs and hotels, and there are plenty of concert venues and clubs hosting local and international bands, artists and DJs.

Dublin's Temple Bar district richly deserves its status as the city's Cultural Quarter. As well as its many fine bars and restaurants, you'll find plenty of cool independent fashion and design shops, colourful outdoor markets and award-winning architectural spaces. No trip here should be complete without a stroll down its cobbled lanes, full of restaurants, shops, galleries and

architectural grandeur.

Take a walk down to the bustling Moore Street market or relax in one of Dublin's many parks. Did you know that Dublin has more green space per square kilometre than any other European capital city? Welcome to Dublin – the green capital of the Emerald Isle!

Dublin's a great city – but it's so much more than that. Travel north or south of the city centre by DART rail service or by bike, and you'll find a sparkling string of coastal towns, beaches, harbours and bracing sea views.

ACADEMIC SERVICES: ORIENTATION

Language Placement Test

On your first day at the school you will arrive at 9:00am and take a placement test which will tell us which class best suits your English level. There are 3 parts to this test: grammar, writing and speaking.

Induction

Once this test is complete, you and your new classmates will be given an induction by one of our friendly admissions staff or teachers. During this induction you will receive a Berlitz information pack which is crammed full of useful information about exploring Manchester or Dublin, studying at Berlitz and enjoying your time in England or Ireland.

You will also be given your timetable for the first week and you will be shown where your classrooms are. You will be given a tour of the school and introduced to your teachers.

Berlitz Manchester & Dublin provide an Academic Placement Service for students studying at the centre.

This service provides initial advice regarding university options and assistance in applying to your preferred university programmes. This service is provided for degree and Masters degree programmes.

Tutorials

Throughout your course you will meet with the Director of Studies or Assistant Director of Studies to review your progress and to discuss your objectives for the course ahead. We keep a record of these sessions, enabling us to chart your progress. This is your opportunity to provide feedback about and influence the direction of your course.

End of Course Certificates

At the end of your course, you will receive a certificate, subject to satisfactory attendance, providing you with a record of your achievement at Berlitz Manchester or Berlitz Dublin. This certificate will indicate the level achieved and the corresponding CEF level.

Social Activities

We offer a varied and exciting social schedule organized by our Social Activities Co-Ordinator to complement your study programme. These activities provide an opportunity to meet other students and to explore Manchester & Dublin's exciting social scene and sporting culture. We really want our students to immerse themselves in English/Irish life!

This is where you live with an English-speaking host and is an invaluable way to learn about the British or Irish way of life. It is ideal when you are looking for a friendly and homely living environment. We arrange single rooms only and students are provided with both breakfast and evening meals Monday to Friday and breakfast, lunch and dinner at weekends.

Flat Accommodation

Flat accommodation is available for those looking for a more independent lifestyle. Students will need to study for at least 6 months to take advantage of this option.

Student residence is available for those seeking a more independent lifestyle and looking to meet other international students. We offer standard and individual rooms, or with ensuite. Please note that availability for this option is in high demand in Manchester & Dublin.

Hotels & Guest Houses

Manchester & Dublin have a wide range of hotels available from budget accommodation to luxury, boutique hotels. Please ask the Accommodation Officer for a list of recommended hotels.

Travel Times

Although travel times to Berlitz vary, typical transit times from homestay to school are 30 - 40 minutes.

Airport Transfer

We can arrange a private transfer from either Manchester or Dublin Airport to your accommodation. Simply request this additional service when making your reservation.

Welfare

Our Accommodation & Welfare Officer is available to help you with any problems you may experience while studying at Berlitz. They can assist with doctors, dental or other essential medical appointments.
