WHY CHOOSE IH LONDON?

Improving their English, experiencing another culture and making a network of global friends is a huge step towards your child's bright future.

Here are a few reasons to trust us to inspire and teach your child.

WHAT WE BELIEVE IN

- › Connecting the world
- › Educating beyond language
- › Inspiring people to unlock their potential
- › Bringing people together

WHO WE ARE

Our story began in 1953 when John Haycraft (CBE) and his wife Brita Haycraft started a school, because they believed in intercultural understanding through language learning. We have continued their mission and changed people's lives through language for over 65 years.

LEARNING BEFORE PROFITS

International House London is a charitable education trust and we reinvest profits to improve your child's learning experience.

ACCREDITED BY THE BRITISH COUNCIL

Our Young Learner centres and courses are accredited by the British Council. The British Council assess the standards of management, resources and premises, teaching, welfare, and safeguarding under 18s, and we met the criteria in all areas.

The British Council noted particular strengths in the areas of strategic and quality management, staff management, student administration, premises and facilities, learning resources, course design, care of students, leisure opportunities, and safeguarding under 18s.

LOVE LEARNING, LOVE THE PLANET

We are the first UK language school to offset carbon emissions, for all flights to all our summer young learner courses, supporting the UN's 17 sustainable development goals.

ON-SITE SENIOR MANAGERS AT EVERY CENTRE

All our young learner schools have four on-site senior managers. All senior staff have student welfare training every year, in addition to professional development. See page 6 for more details.

17 COURSES FOR ALL INTERESTS AND LEVELS

YOUR CHILD IS AN INDIVIDUAL

We can give you guidance on choosing the right course for your child and our experienced teachers adapt the courses to suit the students in the class.

WE KEEP YOU INFORMED

We also have a live photo gallery (with parental permission) so you can see your child learning and having fun when they are in the UK. There is free Wi-Fi in every young learner centre, so you can also stay in touch with your child directly on their device.

OUR TEACHERS

All teachers have English language qualifications relevant to the courses they are teaching. The whole teaching team has a range of experience, knowledge and skills matched to the courses and the needs of the students.

OUR SENIOR ACADEMIC TEAM

Our young learner teams are supported by our head office and adult school in London, which is the no.1 year-round language school with the best value courses in central London, rated by the EL Gazette and based on British Council inspections. IH London teaches across the full learning journey, with staff who know what success looks like at every stage.

A course may be terminated at any point if a participant is found not to have leave to remain in the UK or breaches the conditions under which they are in the UK.

Visa applicable support

For the latest information about student visas for the UK, see our [Getting a Visa](#) page or visit the [www.gov.uk](#) website.

We are a Student Visa (Sponsorships) under the UKVI's points-based system (no. 5BY3ENNA5) and we will provide the documentation required for students to apply for study visas where applicable. Documentation in support of study visa applications will only be provided after all fees have been paid.

The school has a legal obligation to collect and maintain application information, as well as passport and visa data, and inform the

Immigration Authorities about students whose attendance falls below the standard required by their visa.

If a visa application is unsuccessful, yet all documentation was correctly submitted, please send a copy of the visa refusal letter to our admissions team. A course fee refund will be issued when we receive this document.

For advice on visa regulations, please visit the following website: [gov.uk/browse/visas-immigration/student-visas](#). Alternatively, you can contact the British Embassy in your country.

Attendance and student holidays

Students are expected to attend lessons regularly and on time. Students forfeit course fees if they are late, absent, or leave before the course ends.

Airport and railway station transfers

We can provide transport from your airport or train station to your accommodation at prices stated in our price lists. Once booked these fees are non-refundable irrespective of whether or not the service is used. These fees must be paid at least six weeks before the transfer date.

Code of Conduct

The school reserves the right to terminate an enrolment without issuing a refund, where a participant's behaviour is such that it would be unreasonable for them to continue their studies.

Special offers

Discounts cannot be applied retrospectively to existing bookings and only one discount can be applied to a booking.

Variation to fees

We usually set, and hold, our fees for a calendar year. Fees are chargeable based on the fee for the course published in the brochure for the year in which you choose to study. However, if you book a course before 1st October for the following year you may choose to be charged the fee at the current rate. Please note that if you extend your course, additional weeks will be chargeable at the fee applicable on the date you extend your booking.

Deposits

All our courses require a deposit at the time of booking. Deposits are non-refundable, except under the visa refusal conditions detailed above. Deposits for individual students are £450, unless this is more than the course fee. Deposits for group bookings are a minimum of 10% of the total course fee. Deposit and payment terms will be outlined in the agreed Service Level Agreement (SLA).

Subject to a small leeway, to allow for funds to be transferred, until the deposit is paid, the 'booking', remains a quotation or an allocation, and the place(s) are not confirmed; they may be sold to another person.

Tuition Fees

The full fee should be paid the time of booking, and no later than 6 weeks before the start of the course. If not paid via our online booking system

an invoice will be raised immediate payment will be expected.

We do not allow students that owe fees to attend classes or enter our accommodation. Students unable to pay any balance at registration will be turned away and, where applicable parents, agents or sponsors informed. Students under 18 will be passed across to the care of local government social services.

How to Pay

All fees are stated in GBP. We accept cash at our Stukeley Street Reception. For currencies other than GBP you will be charged the exchange rate applicable at the time of booking plus a handling fee dependent on the currency and amount.

Alternatively, you may pay by card (MasterCard, Visa or JCB) via our website at the time of booking, or by phone. You can also pay via Flywire ([www.flywire.com](#)) or bank transfer to 30-65-41, 37995568. Please quote your name in the reference section.

We do not make any charges for payments. We are not responsible for any bank service fees; it is the responsibility of the student to cover any fees required to ensure that we receive the full student fee. Always quote the student number on bank transfers.

Force Majeure

In the event of 'force majeure', such as fire, flooding, pandemic, infectious diseases and other events outside our reasonable control which may cause the closure of the school, no refund of fees will be made to students, except at the school's discretion in exceptional circumstances.

Cancellations, changes and refunds

Should individual students need to cancel or postpone their study, the following refund policy applies. The information below relates to programme fees and excludes the deposit and registration fee which are always non-refundable:

- Fewer than ten working days before arrival – 75% tuition refund or up to 12-month postponement
- After the course has commenced – no refund or up to 12-month postponement

Group bookings may be subject to specific Terms and Conditions. Please refer to your Group SLA (Service-Level Agreement) document for full details.

Additional conditions -Young Learners

Health and safety

We operate a rigorous Health and Safety policy. Staff are all DBS (Disclosure and Barring Service) checked and undergo a period of training and orientation prior to students arriving at the school. All the relevant student-teacher ratios are adhered to, as set out by the Children's Act and relevant governing bodies of language travel courses, such as English UK.

Airport transfers

If you have booked a shared airport transfer, students will be met by a member of our Young Learners Programme staff and accompanied to the school. Shared transfers are available from 10:00 until 19:00 from: London Heathrow and Manchester International Airport, and for Edinburgh, from Edinburgh International. For arrivals outside of these times or to other airports, clients can make their own way to the school or book a private transfer.

Clients are welcome to choose between a shared or private transfer during the hours of 10:00 and 19:00, but private transfers will be charged at the full private transfer rate. This includes a member of the school staff meeting the student at the airport and checking in the student at the airport upon departure.

Unaccompanied minors are charged an additional £60 one-way due to the additional staff resources needed to provide this service.

All travel details must be finalised and communicated to us at least 28 days before the start of the programme. Within 28 days we may have to arrange a private transfer, in which case the fee difference will be due before the course commences.

Code of Conduct

School rules will be sent out along with the joining documentation. While every effort will be made to contact parents or guardians regarding serious breaches of school rules, the centre manager may at his/her discretion impose sanctions, including suspension and expulsion. We reserve the right to dismiss any student whose standard of conduct is unsatisfactory. We do not refund fees in cases of expulsion and all costs incurred as a result must be paid for by the student.

All students are liable for loss or damage to school property for which they are responsible. A £50 cash deposit will be taken from all students upon arrival and returned at the end of the programme, providing no damage has been incurred.

Medical

Our Schools have qualified first aiders and excellent links with local accident and emergency facilities.

Medical forms should be completed at least 21 days prior to the student's arrival. Any medication that a student brings with them must be labelled in English and given to a member of IH staff on arrival.

We regret that any student arriving with a serious medical condition which was not previously reported on the medical and personal information form may be sent home with fees not refunded.

We cannot accept students on the Young Learner Programme unless their parents have signed and returned the completed medical and personal information form (Joining Documents). Again, students arriving without us having this information may be sent home and fees not refunded.
