# Accelerate ASU

**Get a head start on your university degree in high school**

Start earning U.S. college credits remotely while you're still in high school with Arizona State University's Accelerate program. This can allow you to get ahead, saving both time and money!

- Study 5 courses online, taught by ASU professors.
- Earn 15 credits towards a degree at ASU or another U.S. university.
- Complete your bachelor's degree faster.
- Save more than 75% on tuition.

## Accelerate ASU

**Just \$3,500 (versus \$15,600 for an equivalent on-campus semester)**

## What can I study with Accelerate ASU?

Your program will be completed online, and covers the equivalent of 1 whole semester. You can choose from 3 distinct academic tracks, allowing you to immerse yourself in an exciting discipline before starting your degree.

- Engineering and technology
- General business
- Global management

## Why should I choose Arizona State University?

ASU is one of the top public universities in the USA, with a diverse community of American and international students. The university has been ranked #1 in the U.S. for innovation for the past 6 years (U.S. News & World Report 2016–2021), ahead of MIT and Stanford.

### Top 10

**university choice for international students**

– Institute of International Education 2020

### Top 50

**in the world for business and economics**

– Times Higher World University Rankings 2020

### Top 45

**in the U.S. for undergraduate engineering**

– U.S. News & World Report 2021
