E-Commerce and Online Business Management

Montreal Campus - International students

Conducting business online is essential for many organizations. Even if a company does not sell its products/services online, it's helpful to have a website and a social media presence for engagement and brand awareness purposes.

This program offers the ultimate knowledge and skills for you to become an e-commerce whizz and resolve how and where to invest businesses marketing budgets and how best to engage with customers. Upon graduation, whether you want to join a global organization or you're an entrepreneur, this program will ensure you succeed, allowing you to manage an online business.

Study with industry-standard software and online platforms, within a curriculum that follows the latest industry trends to help you stand out.
